VOLUME VIII 72-73
PIEDMONT HILLS
HIGH SCHOOL
SAN JOSE, CALIF.*

Each man's life represents a road toward himself,
an attempt at such a road,
the intimation of a path.
No man has ever been entirely and completely himself!
Yet each one strives to become that—
one in an awkward, the other in an intelligent way,
each as best he can.
Each man carries the vestiges of his birth—
the slime and eggshells of his primeval past—
with him to the end of his days.
Some never become human,
remaining frog, lizard, ant.
Some are human above the waist, fish below.
Each represents a gamble on the part of nature
in creation of the human.
We all share the same origin, our mothers;
all of us come in at the same door.
But each of us-experiments of the depths-
strives toward his own destiny.
We can understand one another;
but each of us is able to interpret himself
to himself alone.

Once the realization is accepted
that even between the closest human
beings
infinite distances continue to exist,
a wonderful living side by side
can grow up, if they succeed
in loving the distance between them
which makes it possible for each
to see the other whole against the sky.

Youth is happy because it has
the ability to see beauty. Any-
one who keeps the ability to see
beauty never grows old.

You may give them your love
but not your thoughts.
For they have their own thoughts.
You may house their bodies
but not their souls,
for their souls dwell
in the house of tomorrow,
which you cannot visit,
not even in your dreams.
You may strive to be like them,
but seek not to make them like
you.

For life goes not backward
nor tarries with yesterday.
You are the bows
from which your children
as living arrows are sent forth.

To a very good friend of mine
I wish you the best in the

I see you later.

Half of our misery and weakness
derives from the fact
that we have broken with the soil
and that we have allowed the roots
that bound us to the earth to rot.
We have become detached from the
earth,
we have abandoned her.
And a man who abandons nature
has begun to abandon himself.

I've been going a long time now
along the way I've learned some things.
You have to make the good times yourself
take the little times and make them into big
times
and save the times that are all right
for the ones that aren't so good.

I've never been able
to push the clouds away by myself.
Help me.

All our dandelion days are done
and so we'll run the fields no more
in search of wild roses
that grow out on the moor.

All our dandelion days are done
and so we'll turn our heads away
from every silver morning
and every golden day.

But sweet September's open arms
belonged to us and held us once.
Remember when the summertime
sang songs to us and only us.

All our dandelion days are done
and so we'll run the fields no more
for all the wild roses
have withered on the moor.

the world

The DELIAN Staff dedicates the 1973 Yearbook to a man who, for the past eight years at Piedmont Hills, has provided leadership, dedication, and "SMASHING" laughs to all of us who know and respect him.

At times, you'll find this man yelling, "get in step", "run, you ninny", or various assundry things. He is, so to speak, The Bodyguard of Piedmont Hills and an all-around exemplary, low-hundreds' golfer. To you, Stu Bartell, we proudly dedicate our 1973 edition of the Delian.

Seniors Tested

By Marvin Meguiar

Once again the seniors of Piedmont Hills were subjected to the Thorndike and Iowa Skills tests. These tests lasted over a three day period, October 17-19, with the class being split into thirds according to civics classes. Word has it that they are to be discontinued as of next year. Research proved the tests to be inaccurate. The results, accurate or inaccurate as they may be, will be available sometime in February.

ASB OFFICERS

It is my sincere hope that all of you can enjoy your high school years as much as I have. During my four years at Piedmont Hills H.S., I have seen school spirit very high at times—at other times very low. School spirit is something which gets it's strength from student participation. You need to decide independently what it is you want out of school. If you prefer to merely exist in a classroom—that is up to you. But if you prefer to enjoy school, learning, and people—get involved. You will be doing yourself and your school a big favor.

Piedmont Hills High School established its chapter of Quill & Scroll when the charter was granted last year by the State University of Iowa. An International Honor Society for the High School Journalists, Quill & Scroll numbers among its members distinguished student journalists from all four corners of the globe. Eligible for memberships are students in good academic standing in newspaper and yearbook production, creative writing, publicity, and public relations. John Scibona is president of Quill & Scroll. His cabinet includes Ken Tanouye, Randy Yamada, Shalah Stokes, Mike Ziebell, Tom Vance, Paula Page, and Sandie Smutz.

The National Honor Society Was Created in 1921 by the National Association of Secondary School Principals. The Society is represented in every state in more than 12,000 high school chapters. The members of a chapter are always chosen by the faculty on the basis of leadership, scholarship, service, and character. The minimum scholarship requirement is a grade average of "B". The Piedmont Hills Chapter was chartered in the spring of 1966. The sixteen seniors who formed the charter membership selected the name Ara, a Swedish word for honor. Today, the chapter's charter is displayed in the reception area of the Administration Building as a reminder of the recognition earned by Piedmont Hills members.

The Pirate Perimates are mainly concerned with the Varsity and Frosh-Soph Wrestling teams. Our duties are to keep the score, keep the time, or any other odd jobs that need to be done. But our main purpose is to promote spirit and recognition for our wrestling meets and tournaments and try to get as many people as we can to attend these events. We have our own uniforms and club name. Meetings are called by the President and the Vice President in order to keep up with our schedule. We hope to make this a larger more successful and organized club in the next year.

Application for membership is accepted during the first two weeks of each semester. The purpose of CSF is to encourage interest and pride in high standards of scholarship with emphasis on unselfish service. Life membership is bestowed upon a student if he/she has been a member during their senior year, and for four out of their last six semesters. The Life Member (Sealbearer) earns the CSF Seal on their diploma and college transcripts as well as becoming eligible to receive Sealbearer Scholarships.

During the past year the French Club has succeeded in becoming one of the most active clubs on campus. We have also had tremendous success in fund-raising events, in spite of the fact that our membership is small. The beginning of '72 was spent collecting money to pay for club activities, tentatively planned to be held in the spring. These outings include such things as a culture day, visiting a french restaurant and visiting clubs from other schools. The highlight of the year will come in June when all the officers spend a weekend with their advisor, Madame McCullough at her beach home in Aptos.

FOREIGN EXCHANGE STUDENTS

I am an exchange student from Mexico City. I came here to learn English and to learn about the country, people, history and geography of the United States. This is the first time I have come to this country.

I have been living with the Trefts, and am glad to have been part of that family. I come from a family of six children, having two older brothers and three younger sisters.

I like the United States and have enjoyed going to school here. I appreciate having had the opportunity of being an exchange student, and I know I will never forget my year at Piedmont Hills High School. Thank you for the courtesies you have shown me. Good luck, hasta la vista.

Armando Jarque

The first day of school was confusing. I didn't understand anyone and nobody could understand me. In eight years this is the first time I have attended a coeducational school. I like this school very much and really feel it is mine also. I would like to thank my teachers, friends, and family, the Nelsons, for giving me the opportunity to learn about your way of living.

After going back to Finland I have two more years of high school before entering the university to become a dentist.

My home is in the town of Pori. It would be nice to see many of you again.

Kutos, Ritva-Leena

The Varsity team did not finish first in the league, but their spirit was always number one. This year's team is still young, and has high hopes for next year.

Kris Krichko, who was the number one J.V. runner in the finals, will strive for this title in Varsity next year. It will be a close battle between Kris and his fellow team members, as they run to a victory next year.

VARSITY SOCCER M.H.A.L. CHAMPIONS

From its humble beginnings in the Mount Hamilton League approximately eight years ago, the sport of soccer has won wide acceptance throughout the Bay Area and has developed into a refined sport which attracts a fine caliber of athlete. Each year the competition throughout the various leagues has become more intense and the quality of soccer has improved greatly.

The 1972-73 varsity soccer team was endowed with physical size, talent, and dedication. Soccer is very much a "team" sport and a winning combination such as the Pirates had was realized because of their desire and ability to work together.

The backbone of the team consisted of Mike McLane, Bob Milz, Rob Pershall and Tom Vance. The team's scoring ability was provided by Calvin Walker, Gabriel Tom, Pat Vance and John Gorospe. The defensive unit was comprised of Joe McNamara, Mike Ziebell, Ken Birmingham and Gene Yoneda. A strong corps of reserves was led by Fred Lugo, Darrell Ogi, Anthony Torres and Tom Safley.

Top Row, L-R: Joe Villa (coach), Mike Ziebell, Calvin Walker, Mike McLane, Casey Bargas, Anthony Torres, Bob Milz, Steve Meador, Rob Pershall, John Scibona, Fred Lugo, Pat Vance. Bottom Row: Glen Ouchida, Gene Yoneda, Ken Birmingham, John Gorospe, Gabriel Tom, Joe McNamara, Tom Safley, Tom Vance, George Myers, Darrell Ogi.

After a final victory over Milpitas, another great team effort is met as players submerge Coach Villa in a puddle of mud.

L-R: Alden Casanave, Bill Peters, Stan Moline, Ron Bennett, Joel Ballejo, Mark Alls, Howard Young, Rich Arellano, Julian Mancias.

After a dismal pre-season, the young Pirates came into their own during the regular league games. The spirit and drive of this junior-dominated team led them to upsets over Oak Grove, Mt. Pleasant, and Overfelt and near upsets over Ayer and Silvercreek.

The Pirate's Basketball Team was led by the steady play of Bill Peters and Ron Bennett, the high scoring of Howard Young, and Joel Ballejo, the rebounding of Alden Casanave, and strong support from the bench.

Since the conception of J.V. Basketball in the M.H.A.L. two years ago the Pirates have never lost the championship. After a slow start in league play (lost two out of the first three games) the Pirates put together a win streak of ten straight games against the toughest of competition to finish out the season.

This year's Championship team was led by the guard combination of Joey Costa (Captain) and Mike Gallo. Chris Carlson, Carl Jasper, Craig Edick, and Dave Hitch provided the board strength.

Back Row: Mike Scott, Phill Menacho, Jeff Rhodes, Kurt Gordon, Randy Casanave, Tony Haynes, Mark Damerl, Russ Roberson, Curtis Buckner, Coach Mialovich.

The Frosh Basketball Team had an outstanding season. Winning the MHAL League Championship undefeated, the team was led by "most valuable player" Tony Haynes. He was the team's leading scorer and leading rebounder. The team's strong point seemed to be their tall front line consisting of Haynes, and co-captains Randy Casanave and Jeff Rhodes. Those three, joined with guards Phil Menacho, Brian Shinn, Curtis Buckner and an outstanding bench, guided the team to an overall season record of eleven wins and one loss.

J.V. NINE

The Pirate J.V. baseball team shows the drive and determination to make a great improvement over their record as freshmen. If they continue to get better each week, players such as Tony Tavares, Gary Bravo, Mike Ross, and Charlie Stauffer could lead the team to a pennant.

First row seated: Mario Arranaga, Robert Usher, Tom Gaudiniar, Robert Landeros, Mark Nieweg, Keith Davey. Second row: Leroy Brotherton, Larry Labruciterie, Kevin Kim, Tim Moore, Jeff Shoemaker, Sal Chiaramonte, Gerry Landrum, Glenn Thompson, Dave Black, Ross Wade. Third row: Coach Al Meza, Joe Montes, Brian Shinn, Phil Menacho, Craig Anderson, Steve Christian, Mark Damrel, Leroy DeSmidt, Ron Duncan, Coach Ray Miallovich.

Early season indications show that the Freshman are going to be tough to beat this year. They started off with a convincing 6-0 league win over Silver Creek. The team showed fine pitching and exceptional hitting. They followed that win by splitting a double-header with Bellarmine, losing 10-5 in the first game, but winning the second game 14-3. In each of the three games the Pirates had 10 or more hits. The pitching staff is led by Sal Chiaramonte and Steve Christian. The hitting leaders are Dave Black, Gerry Landrum, Phil Menacho, Kevin Kim, Leroy Brotherton, and Leroy DeSmidt. In the defensive department, Brian Shinn leads the way. It looks like the Pirate Bats-men are headed for a fine season and a league championship.

BARTELL'S SWINGERS

Left to Right: C. Aldrich, R. Boro, B. Caldwell, K. Smith, A. Re, W. Goertz, S. Bitcon, J. Faggioni, B. Bishop, Coach Bartell, J. Jones.

In the eight years of golf at PHHS, this is the most balanced team that Mr. Bartell has ever coached, with such fine team members as Charlie Aldrich, Steve Bitcon, and Russ Boro. The six starting members have all had experience in the game, with two or more years of golf on this Varsity team. The team has been predicted to have a good record of seven wins and two losses.

TENNIS RACKETEERS

Back Row, L-R: Jim Nelson, Jess Haro, Chol Lee, Jeff Yeung, Lewis Taddeo, Charlie Hale, Robert Francis, Ken Lambert, Coach Zimmermann. Not Shown: Danny Petersen, Don Gordon, Harry Czarnecki, Jerry Alden.

The chances for a tennis championship look good at the time of this writing. With returning lettermen Danny Petersen, Bill Peters, Harry Czarnecki, Bill Smith, Jerry Alden, and Rich Arellano, the Pirates are a solid team.

The Varsity Tennis team of 1973 is led by Danny Petersen. In 1972 Danny was M.V.P. for the Pirate team as well as being the best number 1 singles player in the M.H.A.L. Danny should repeat this year also.

Back Row, L-R: Coach Cannizaro, A. McCaskey, C. Carlson, D. Griffin, S. Babilacqua, W. Cannon, M. Kuykendall, M. McLane, T. Molinaro, J. Cook, J. Amdur, T. Anderson, A. Casanave. Middle Row, L-R: M. SWIMMING

The fortunes of the Piedmont Hills Varsity swimming team are rapidly changing. With early season wins over Mt. Pleasant, Oak Grove, Overfelt and Yerba Buena. The team shows promise of becoming MHAL champions. The Pirates are led by sophomores Jim Ballard, Frank Amdur, Roger Lien and Scott Nash. Before the season ends, every school record could be broken.

SWIMMING

The undefeated G.A.A. swimming team went all the way this year with Mrs. Twohig as their coach. Winning all the league meets, they went on to win the district finals. The girls' trophies, of which they are very proud of, are a product of their fine teamwork and hard practice

SOCCER

Starting the season with a "I'll sock-it-to-you" attitude was the first G.A.A. soccer team. Although just fledglings, the girls scored an impressive 3-2 record. This new sport was enthusiastically supported by the girls and by their coach, Mrs. Harris. It is hoped that next year there will be more daring girls out for this great sport.

HOCKEY

Piedmont is the only school in the district with a G.A.A. hockey team, and what a team! They ended the season with a 4-1 record with Mrs. Harris as their coach. The G.A.A. Pirates traveled to schools in the Campbell district, leaving them with a winning impression of the Eastside district. This is a NO. 1 team!

OOPS!

A Record number of girls showed up for the 1st day of basketball practice and eventually 4 teams of 10 girls were formed. The girls did a good job this season although they did not have a winning record. The teams were made up primarily of Juniors and Sophomores, so with their experience, next year promises to be better.

This is not primarily the place we have
to be,
but the place where we are.

This is not our prison, but our school.
it is the road we must walk
and the walking of it is called life.

Because we will walk it only once,
then how important it is that we
should walk it with some purpose
that we can call our own.

This year's senior dedication belongs to a man who has been with Piedmont for four years.

Born on June 29, 1944 in Philadelphia, Pa., his family moved to San Jose when he was a young child. He went to Ballarmino College Prep, where he participated in such activities as the Varsity Tennis team for two years. He attended the University of Santa Clara and earned a MSTN and BS in mathematics with minors in physics, philosophy, and theology. The opera, sports, and art are his likes.

A busy man, he is in the process of publishing four math books for Creative Publications. The books are aimed toward grammar and high school level.

He has done much for our class, and is appreciated for his fine past efforts in helping us achieve its ranks among the greats.

On behalf of the Senior Class, we thank you, Lawrence Swienciki.

JOE MOLINA

SENIOR MOSTS

A bright smile completes the outfits of Jeff Nickel and Pam Bastida, voted as Best Dressed.

With a yawn and an "almost" sneeze, Eddie Crowder and Ginger McCann casually accept the titles of Best Personality, proving that modesty is the best policy.

"Wittiest" Evan Williamson says that he attributes his sharp mind to watching Dick Cavett and reading Mad Magazine. Wittiest girl, Melanie Bongartz, was unavailable for comment.

Garnering the titles of Most Handsome and Prettiest were Mr. "hubba-hubba" Rob Pershall and Renee Ellison.

"Oriental Power" seems to be the theme for the two voted Best All Around; Randy Yamada and Carol Yep, the latter who is symbolizing a "round" circle with her hands.

The song, "You've Got a Friend", would aptly apply to Roxanne Furtado and Mike Diaz, Voted as the Most Friendliest.

Adding a romantic touch to Piedmont Hill's campus, are Cutest Couple Steve Anderson and Lisa Gonzales.

Biggest Flirts, Fred Hernandez and Donna Pandolfo, have done their utmost to live up to their title.

Voted as Most Spirited, Karon Gillmeister and John Scibona don't let a locked gate dampen their great enthusiasm.

"Let me entertain you," sings Most Talented girl, Cathy Bixby to husky, Most Athletic sportsman, Ken Sirois.

EAST MEETS WEST

This year, San Jose took a step towards improving our relations with foreign countries thru the universal medium of sports. Piedmont Hills was honored to have the Japan All-Star Interscholastic Gymnastics Team, perform for us on March 17, 1973. The participants were all high school juniors 17 years old, and are predicted olympic gymnasts of the future. They were greeted by the honorable Mayor of San Jose, Norman Mineta who welcomed them warmly to our city.

They exhibited their skills on the still rings, high bar, parallel bars, the side horse, and in floor exercises.

The Japanese athletes were presented gifts of appreciation and friendship by the Diablo Valley Girls Gymnastics team. (below): The Japan All-Stars are warmly applauded after their fantastic performance as they leave the gym.

A road with no obstacles probably
doesn't lead anywhere.

IN MEMORY OF
EDWARD CROWDER
OCT 12, 1955—JAN 28, 1973

BEFORE I GO ON

This morning I talked with the Sun while the beginning of another day was at hand. He didn't say much but that's the way he usually is when he wakes up. Silence. I was drinking wine and eating stale corn bread. I felt like a great conductor of an orchestra while we were talking. I stood on a log, my body trembling with passion, fed by the energy of the Sun. My arms were moving as if I was conducting the flight of a bumble bee. I reached for a mountain a thousand miles away, not seeing it but knowing it was somewhere. As my hand rose and wavered above my head I knew that the great birds and all the living beasts from the mountain would come forth into the world and talk to me. I reached to other mountains, forests and lakes and together we were one, talking with the Sun.

I shall not pass this way again. Any good thing that I can
do, or any kindness that I can show, let me do it now!
Let me not defer it or neglect it. For I shall not pass this
way again.

In memory of: Ken Copeland
Eddie Crowder
Russell White.

exciting talking about our
sex lives (Iot bad there wasn't
much to talk about). If I
move I hope when I come to
visit we will still be good
friends, maybe better. You are
really sweet, even though you're
a big whore, (not really but you're
trying hard, huh?). Be good and
take care
